

Alexander Noble House Museum

This Victorian home is Fish Creek's oldest frame residence. Many furnishings and artifacts are original to the house and the Noble family. Through the years it has become a landmark on Fish Creek's busiest corner. Visit the Alexander Noble house and step back in time.

Alexander Noble House Museum

The Alexander Noble House, built in 1875, is an authentic example of a Greek Revival farmhouse. Enjoy a tour of the 10-room home and experience a portrayal of domestic life in Door County at the turn of the century. Walk the town of Fish Creek where a thriving fishing and shipping village once stood. Imagine the steamships at dock waiting for horse-drawn carriages to delivered summer guests to their lodgings.
